Important Notes

All registration documentation must be submitted by your child's Phase-in Day. These are required before your child may attend school.

Parent Night will be on Monday, August 8th. This meeting will be for parents only. You will find out who your child's teacher is and which Phase-in days your child will be attending. Please plan to attend.

Please label all school supplies with your child's name! Open scissors and glue sticks from the package and label them. Label crayon & marker boxes.

While rest mats are no longer required by RCS, due to the developmental level of kindergarten children it is recommended that your child have a rest mat at school for the first few months of school.

Wish List: gallon or quart zip-lock bags and cleaning or baby/restroom wipes
